

6 June 2018

## Green for Grenfell

Dear resident,

We're writing to let you know about arrangements to mark the first anniversary of the tragic fire at Grenfell.

We've been working with a local community arts organisation, called BrownBaby, and the Charecroft TRA and Edward Woods Initiative to support the Green for Grenfell initiative.

### What will be happening

One external wall of each of the three tower blocks on Edward Woods Estate (Norland House, Stebbing House, and Poynter House) and the four blocks on Charecroft Estate (Shepherds Court, Roseford Court, Bush Court, and Woodford Court) will be lit with green lighting. The pictures show the sides of the buildings that will be lit up green.

This will be for four nights from 14 June – 17 June 2018. We have been assured there will be no light pollution into your flats. There will also be no cost to residents for the Green for Grenfell project.

### Times & Arrangements

The lights will be switched on at 00.54 on 14 June 2018 the time the fire started and will remain on until 5am. The lights will then be switched on between 14 June -17 June from 8pm to midnight.

We're sorry, the Charecroft amenity decks will be closed from Sunday 10 June to Sunday 17 June 2018. This is to ensure the safety of residents as electrical equipment will be stored there.

We'll be putting temporary fencing around the electrical equipment. The fire wardens and estate security services will be making regular checks of the equipment.

### More information

Please contact Colette [REDACTED] if you'd like any further information.

The Charecroft TRA will be holding a gathering for quiet reflection on Shepherds Bush Green at 00.54am on 14 June and again from 7.30pm on 14 June and would like to ask you to join them. The Charecroft TRA Hall will be open for rest and refreshments. For more details, please visit the Charecroft website at <https://charecroft.org/>.

Thanks for your support working with us to commemorate the Grenfell fire.
